► Summary

I am a highly motivated and enthusiastic college freshman interested in applying my computer science skills to an internship. With more than eight years of programming background, I am ready to learn more from competent professionals and gain practical knowledge in a real-world setting. I am excited to contribute to a large team's success while making use of my diverse experience with programming languages and different software to improve my proficiency through the internship program.

► Previous Experience

Enterprise Application Developer Intern at Palm Beach School District,

June 2023 — July 2023

I worked as a full-stack developer on the Palm Beach School District's "Battle of the Books" project during my summer 2023 Internship. I was responsible for both the front-end and back-end parts of the web application by using React.js and .Net Core.

► Education

High School Diploma, Jupiter Community High School

August 2020 — May 2023 (expected)

As a high school student, I already had an interest in computer science and taken classes, including AP Computer Science A, AICE Computer Science, Digital Design, and Game & Sim Programming and finished them with the highest grade. Overall, I've earned a Cumulative GPA of 3.74, a Cumulative HPA of 4.25.

BS Computer Science, University of Central Florida

August 2023 — May 2027 (expected)

As a college freshman, I started my CS education by taking a light "Intro to C" class, joining a local Cybersecurity club "Hack@UCF", and attending practices for the UCF Programming team as a guest, where I learn to solve complex algorithmic problems in python.

► Skills

Time Management	Fast Learner	HTML	Python
Problem solving	Adobe Creative Cloud	CSS	Java
Responsible & Reliable	Microsoft Office	JavaScript	C#
Teamwork			

► Certifications

Excel 2019	Word Expert 2019	Software Development	Unity Certified User: Artist
Word 2019	Photoshop 2020	Java	
PowerPoint 2019	Illustrator 2020	JavaScript	Unity Certified User: Programmer
Excel Expert 2019	MTA-349: Windows OS
