Vladislav Kurgankin

1224 Arapaho St, Jupiter, FL

561-906-3970   vladkurgankin2004@gmail.com

► Summary

I am a highly motivated and enthusiastic high school senior interested in applying my computer science skills to an internship. Having more than seven years of informal programming background, I am ready to learn more from competent professionals and gain practical knowledge in a real-world setting. I am excited to contribute to a large team's success while making use of my diverse experience with programming languages and software to improve my proficiency through the internship program.

► Previous Experience

Customer Service Clerk at Publix, Chasewood Plaza, Jupiter, FL

January 2023 — Present

I was responsible for providing premier customer service while efficiently bagging customers' groceries. As a result, I've gained valuable experience in teamwork, service, and time management. Under those circumstances, I gradually improved my communication skills by conversing with the customers and my co-workers.

► Education

High School Diploma, Jupiter Community High School

August 2020 — May 2023 (expected)

As a high school student, I've academically succeeded by receiving an "A" for every class I have taken over the last three years. I focused on computer science and have taken courses, including AP Computer Science A, AICE Computer Science, Digital Design I, and Game & Sim Programming. I've earned a Cumulative GPA of 3.74, a Cumulative HPA of 4.25, a Current year GPA of 4.0, and a Current year HPA of 5.4.

BS Computer Science, University of Central Florida

August 2023 — May 2027 (expected)

I've been admitted to the University of Central Florida, where I will study Computer Science.
